

SPEED DRYER

73-17

FEATURES

- Mirror polished drying surface
- Long-life Nomex drying pad
- Digital Temperature Controller with operator lock out feature
- Separate control box located beneath the frame for longer component life
- Full width elements for uniform heat dispersion
- Insulated body for reduced perimeter heat loss
- Wide black monocast handle which remains cool
- Stainless steel hinges
- Available in drying surface of 24" x 14" or 36" x 14"

For rapid drying of hand sheets after pressing, prior to evaluation. The uniformly distributed heat from the drying surface reduces the moisture content of paper samples.

Available in either 24" or 36" sizes, the Speed Dryers permit rapid drying of hand-sheets after pressing, prior to evaluation. The uniformly distributed heat from the drying surface reduces the moisture content of paper samples. The drying surface is highly polished to facilitate hand-sheet removal.

The model 73-17 Speed Dryers have many features not found on competitive models, including the following:

- Controls are shielded from the damaging heat of the dryer cavity.
- The dryer cavity is insulated and sealed (except for the wiring port) for better heat retention and a more stable drying surface.
- The thermocouple is mounted on the underside (center) of the drying plate.
- Full-width custom-made elements reduce heat loss at the edges.
- The mirror finish of the drying surface makes sheet removal easier.
- The "cool-to-the-touch" handle never heats up under normal operating conditions.
- Ruggedly built for years of trouble-free operation.

We also rebuild existing speed dryers to like new condition at substantial savings. A new product warranty is offered on all rebuilt speed dryer.

APPLICATIONS

Paper, Paperboard, Tissue, Recycled Newspaper, Newsprint

SPECIFICATIONS

Meets applicable TAPPI, CPPA, ASTM and APPITA Test-methods

INSTRUMENT SIZE

Speed Dryer	24 in model	36 in model
Part No.	73-17-00-0001	73-17-00-0003
Instrument size D x W x H	36 x 61 x 18 cm 14 x 24 x 7 in	356 x 914 x 18 cm 14 x 36 x 7 in
Weight	25kg (55 lbs)	34 kg (75 lbs_)
Shipping size	114 x 64 x 51 cm 45 x 25 x 20 in	114 x 64 x 51 cm 45 x 25 x 20 in
Shipping weight	39 kg (85 lbs)	48 kg (105 lbs)

ORDERING INFORMATION

24 inch model: catalog number 73-17-00-0001
 36 inch model: catalog number 73-17-00-0003
 Electrical: 110V/60Hz or 220V/50Hz
