

TMI Opens Direct Sales Office in Charlotte, NC

TMI is pleased to announce the addition of Richard Bearhalter to the TMI Group as Regional Account Manager for the Southeast US Territory. Rich will be responsible for states including Virginia and south to Florida and southern states east of the Mississippi River.

From bench top laboratory testing instruments to fully automated in-line testing applications, Rich brings with him a 26 year history of selling and designing instruments for material testing. He has extensive knowledge and a high level commitment to customer service that separate him from typical salespeople. Rich has also served on ASTM committees and published several articles on material testing over the years.

Rich will be located in Charlotte, NC and can be reached at:
